

# CIRCULARITY DAYS 2026

**FAPC**2026  
Future Automotive  
Production Conference

**WERKSTOFF**  
SYMPOSIUM

## SAVE THE DATE

May 20<sup>th</sup> to 21<sup>st</sup> 2026  
**WOLFSBURG**

### Circularity Days 2026: Design for Circularity in Production Technology

The Circularity Days 2026 Conference will bring together global experts, industry professionals, and academics from the manufacturing sector to the MobileLifeCampus (MLC) in Wolfsburg. The two-day event features keynote speeches, plenary sessions, a start-up session, and includes a dedicated evening event for networking, knowledge exchange and inspiration.

**We look forward to hosting you for this exciting event in the spirit of the circular economy. See you there!**

Conference sessions

**Innovative & Smart Production**

**Life Cycle Engineering**

**AI-based Optimisation**

**Factories of the Future**

**Design & Simulation for Circular Components**

**Functional & Innovative Components**

**Sustainable Materials & Surfaces**

**Start-Up Pitches & Award for the best Innovation**
